With many clever features designed to make your life just a little easier, the only thing not packed into the KODIAQ's stylish interior are your passengers. Available with up to seven seats.

DIGITAL VOICE ENHANCEMENT

Particularly handy on noisy roads, this innovative feature transmits the voices of those in the front seats to rear seat occupants in real time through the infotainment system.

TRI-ZONE CLIMATE CONTROL

This intelligent system enables different temperatures to be set for the driver, co-driver and rear passengers. It's also fitted with a sun sensor and humidity sensor to reduce windscreen misting.

LED INTERIOR LIGHT PACK

Selecting the KODIAQ's LED ambient lighting is anything but a black and white decision. From the understated to the unapologetically bold, 10 colour options are available.

PERSONALISATION OPTIONS

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to the choice of music on the radio.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the KODIAQ helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink+ and Wi-Fi capability, it offers more connectivity on-the-go.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your KODIAQ. The CANTON Sound System delivers powerful clarity from 10 speakers around the car.

STAY CONNECTED

The new ŠKODA Connect system turns the KODIAQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates.

With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

AN INTERIOR FOR LOVERS OF WIDE OPEN SPACES

There's always room for more toys, more snacks and the occasional four-legged friend. After all, life's too short to let anything ever get in the way of quality family time away. Especially a lack of space.

JUMBO BOX

Equipped with cup holders and handy storage compartments, the Jumbo Box will store your gadgets, house keys and books.

SPACIOUS STORAGE

Several spacious storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

Models shown are not UK specification.

MORE ROOM TO PLEASE

With one of the best luggage capacities in its class, you no longer need to compromise on what you pack. With the rear seats folded (5 seat versions), there's a remarkable 2,065 litres of space available. That means ample room for everything that's important to you. The remote release button makes folding the rear seats easy.

DOOR EDGE PROTECTION

All side doors are fitted with plastic strips that eject upon opening and cover the edge of the door. Ideal when you're in a tight parking spot.

CLEVER DESIGN WITH A HUMAN TOUCH

At ŠKODA we believe the best ideas are those that make our lives simpler. That's why the KODIAQ is full of practical touches to ensure every trip is easy.

CHILD SAFETY LOCKS

With a quick push of a button, you'll enjoy the peace of mind that comes from knowing the youngest adventurers onboard aren't going anywhere.

REMOTE BOOT OPENING

When your hands are full, simply swipe your foot underneath the luggage compartment to automatically open the door. We call this the Kick Activation (Virtual Pedal), which only works when it detects your keys are in range.

UMBRELLA STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrellas located in the front doors.

FUEL DOOR

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

ALWAYS LOOKING OUT FOR YOUR SAFETY

PEDESTRIAN MONITOR

Whether it's a child chasing a loose ball or an adult glued to their smartphone screen, if someone unexpectedly crosses your path the Pedestrian Monitor automatically reduces your car's speed to help prevent a collision.

On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide (CO_2) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2018/2019.

BiK calculation example
KODIAQ S 1.4TSI 125PS

P11D value		**£22,495.00**
Company car BiK tax based on CO_2 emission level		**28%**
Taxable BiK (for 2018/2019 tax year):	28% of £22,495.00	**£6,298.60**
Annual company car tax (2018/19)		
20% income tax	20% of £6,298.60	**£1,259.72**
40% income tax	40% of £6,298.60	**£2,519.44**
Monthly company car tax (2018/19)		
20% income tax	£1,259.72 divided by 12 months	**£104.98**

Additional information

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

This covers your first two services for one payment of just £279 or 18 monthly payments of £15.50. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

Service intervals

When you order your KODIAQ, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

> Driven fewer than 10,000 miles per annum.
> Mainly short journeys, driven mostly in towns or cities.
> High vehicle loading/towing and frequent hill climbs.
> Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.
